Internship Review
of
Web Development
At CODTECH IT SOLUTIONS

NAME :VISHAL KUMAR YADAV
COURSE: BTECH COMPUTER SCIENCE ENGINEERING
YEAR : III rd
Admission NO :22SCSE1011622
SECTION :18

Introduction to the Internship

This presentation reviews my virtual internship experience at CODTECH IT SOLUTIONS. I will share insights on web development, skills acquired, and how this experience has shaped my professional journey. Join me in exploring the challenges and successes I encountered during this enriching opportunity.

Skill

Throughout the internship, I worked extensively with HTML, CSS, and JavaScript, enhancing my technical skills and creativity..

Gained hands-on experience with HTML, CSS, and JavaScript to design and develop responsive web pages.

Task

During my internship at CODTECH IT SOLUTIONS, I worked on the following web development tasks
using HTML, CSS, and JavaScript:

Task 1: To do web list application

Task 2: Weather App Web Application

Each task helped me refine my problem-solving skills and gain hands-on experience in web development

LearningNew Technologies

Every internship comes with its challenges.I encountered diffculties in mastering new frameworks and managing tight deadlines. However, these experiences taught me valuable lessons in problem-solving and time management, pushing me to adapt and grow in a professional environment.

ChallengesFaced

During my internship at CodTech IT Solutions, I faced challenges such as learning new frameworks, debugging complex code, and managing multiple tasks like UI design and API integration. Adapting to client requirements, collaborating with diverse teams, and mastering tools like Git tested my problem-solving and time management skills, helping me grow professionally."

Skills Gained

This internship allowed me to acquire essential skills in web development, including coding, debugging, and project management. Additionally, I improved my soft skills, such as communication and teamwork, which are crucial for success in any professional setting. These skills will benefit my future career.

Conclusion and Future Steps

"In conclusion, my virtual internship at CodTech IT Solutions was a transformative experience. I acquired valuable skills in web development, overcame challenges, and learned the significance of effective collaboration. I am eager to apply this knowledge in future projects and continue striving for professional excellence in my career journey."

Thanks!
